

Annual Activity Report – 2024

1. Introduction

RollBall France is a young non-profit sports organization aiming to promote and structure Roll Ball practice in France. In 2024, our activities focused on awareness, community building, and laying the foundations of an inclusive national development plan.

2. Events Organized in 2024

- Two friendly interclub exhibition matches were held in partnership with local roller clubs.
- One regional pilot tournament successfully took place in spring 2024 in Ile-de-France.
- RollBall France presented the sport at the 'Salon des Sports de Glisse' in Lyon.

3. Participation & Impact

- Estimated affiliated clubs: 5
- Estimated registered players: 90 (30% women, 40% under 18)
- 15 active volunteers involved
- Initial contact established with two universities for future campus demos

4. Capacity Building

- Training of 3 volunteer referees
- 2 introductory clinics conducted for beginners
- Work started on a French-language referee handbook

5. Digital Presence

- Launch of Instagram and Facebook accounts
- Development of official website (in beta)
- 1 rules video tutorial published
- Over 150 followers across platforms by December 2024

6. Governance & Transparency

- Statutes updated to comply with loi 1901 standards
- General Assembly held in June 2024
- Strategic plan and budget presented to all members

7. Outlook 2025

- Targeting 3 new affiliated clubs
- Organizing the first RollBall France National Meeting
- Launching a pilot mini-league in fall 2025
- Training 10 new referees and local volunteers
